Total learning time: 30 h

CONTENTS

TRIP

Description:

Optative Intensive participation in the international workshop of the MEDEA program, on sustainable intervention in Mediterranean environments.

Includes mandatory work trip to the island of Pantelleria, from June 16 to 21, 2025.

Project proposals for the landscape valorization of the Punta Spadillo area.

Specific objectives:

Territorial sustainable intervention strategies.

Collaborative work

Related activities:

The financing of the trip (flights, accommodation and food) is the responsibility of the student.

For accommodation, the university organizing the MEDEA_Pantelleria Workshop (UNIVERSITÀ SAPIENZA_ROMA), makes the following proposal available:

Accommodation may be free for participating students in rooms set up in a school building provided by the city council. You can also rent small apartments with kitchen and terrace, at a cost of €30/p (4 people); €35/p (3 people) and €40/p (2 people).

Full-or-part-time: 30h

Laboratory classes: 30h
