GRADING SYSTEM

The teaching staff responsible for each enrollment group will report, in the Atenea virtual classroom, the details of the evaluation criteria and grading method.

Continuous assessment:

Continuous assessment will be carried out on the basis of the work to develop by the student during the course through the delivery of jobs or the realization of written or/and oral tests, according to the criteria and timetable to be established.

Final assessment:

If the results of the continuous assessment are not positive, it will be possible to perform a second evaluation, which will consist in a global final test that can consist in a written or oral exam or the delivery of jobs, in accordance with the criterion of the responsible teachers.
