Regulations for carrying out activities

- The grade of the specific capacity is based on the business plan.
- The student will be considered Not Presented in the case of no submission of the business plan or not taking the final exam.
- In any case the student cannot have any form of notes during the exam controls.
- The midterm exam does not release any material. The note of the exams will follow the following formula: Max {0.5 * Final exam grade + 0.2 * Midterm exam grade; 0.7 * Final exam grade}.

Reevaluation:

- The students that can take the exam of re-evaluation should meet all the requirements to be evaluated and should have a final course grade between 3.0 and 4.9.
- Students who meet all the requirements for the exam of re-evaluation will undertake an exam of the same style as the first session final exam including all course content seen in class.
- The final grade is obtained by following the same procedure as the first call by replacing the first session final exam grade for the re-evaluation exam grade.
- The final grade to be obtained through the re-evaluation cannot be less than the previous grade and cannot exceed 5.0.
