GRADING SYSTEM

The final mark (Nf) will be calculated according to the following table:
Type of evaluation: Continuous evaluation
Note deliverable activities (A) = 10%
Lab note (P) = 20%
Final Exam (EF) = 70%
Final mark (Nf): 0.1 A + 0.2 P +0.7 EF
The re-evaluation replaces the final exam grade. To be able to submit to the re-evaluation, it is necessary to have attended all the laboratory practices and submitted the corresponding reports.
