EXTRAORDINARY COURSE EXAMINATION

Description:
There will be a test of 1h of duration in which the student must demonstrate that he has reached the level required to recover this subject. For this will be a written test that will be of shorter duration than the examination to which it recovers and of much more basic contents. This basic test will only allow to pass the subject, that is to say, the maximum grade will be of 5. Only students who do not have the subject approved can be presented to this test.

Specific objectives:
With this test the student is given the last opportunity to reach the minimum requirements to pass the subject, which would be more basic than in the normal exam, but the maximum grade will also be simply passed (5) or suspended. It is not possible to obtain more note by means of this test than it has been indicated is of minimum contained.

Material:
The material used will be the typical of a written test. Writing material, paper, form and calculator

Delivery:
The written test will be delivered on the same day and at the time of the test, corrected as soon as possible to have a reference note

Full-or-part-time: 1h
Theory classes: 1h
