1. Background

In line with the project's proposal, the consortium of the Erasmus+ project entitled "Fostering innovation in the Jordan and Moroccan textile industry" with the acronym "FOSTEX" -hereinafter referred to as "FOSTEX"- will set up an External and Evaluation Committee - hereinafter referred to as "EQEC"- to monitor and evaluate the project's implementation and ensure a neutral review and a consistency assessment of the project deliverables versus project target groups' needs/expectations.

The EQEC will be comprised by three (3) members, established one in the EU, one in Jordan and one in Morocco.

The present call refers to the one (1) member of the "EQEC" established in Morocco, which can be either a natural or legal person.

2. Job description

Job title: External Quality Evaluator/ member of the EQEC in Morocco.

Job description: The implementation of the External Quality Assessment of the Project in close collaboration with the other two members of the Committee, including:

- The use of independent tools (e.g. questionnaires, personal interviews) to assess the implementation of the project and its deliverables;
- The preparation of an External Quality Report every 6 months as described in the Quality and Evaluation Plan of the Project;
- Any other contribution to the project that derives from the Quality and Evaluation Plan and its possible future amendments or specific requests made by EACEA (Education, Audiovisual and Cultural Agency).

Deliverables: 6 Quality Assessment reports.

3. Qualifications/ selection criteria

Required qualifications (exclusion criteria):

- Holder of a higher education diploma (doesn't apply to legal entities)
- A minimum of five- year research or working experience in the textile sector.
- Very good (C1) or excellent knowledge of English (C2)

Additional qualifications (rated criteria):

- Experience in the implementation of national, EU or international projects of various topics.
- Knowledge of French

4. Type of contract, duration and compensation

Type of contract: Service Agreement

Duration: From the day of the signature of the agreement until 14/01/2022.

Compensation: 3.000€ (three thousand euros), payable through bank transfer.

5. Application procedure

Interested individuals are invited to submit their application to Universitat Politècnica de Catalunya, member of the “FOSTEX” consortium via the email: monica.ardanuy@upc.edu. The sentence “FOSTEX: CALL FOR THE MOROCCAN MEMBER OF THE EXTERNAL QUALITY AND EVALUATION COMMITTEE” should appear on the subject of the email.

Supporting documents

Each application shall include the following documents:

- a signed application form (Annex 1) including:
 1. a small cover letter explaining the applicant's motivation for answering this call;
 2. a list of supporting documents duly filled with the documentation which proves how the applicant fulfills the selection criteria (required and additional qualifications) listed in chapter 3 of this call;
- a *curriculum vitae* (CV), preferably in the [European format](#) (only for natural persons);
- a company resume (only for legal entities);
- all supporting documents – proofs of the qualifications.

Deadline for application

The applications must be sent by 15 January 2019 at the latest. The date of the e-mail sent will be the date of sending.

6. Selection procedure

Rating of the qualification criteria

#	Qualification	Rating method
1	Research or working experience in the textile sector (additional to the five-year experience set as exclusion criteria)	Up to 1 year: 20 points Up to 2 years: 30 points More than 2 years: 40 points
2	Experience in the implementation of national, EU or international projects	Up to 1 year: 10 points Up to 2 years: 20 points More than 2 years: 30 points
3	Knowledge of English	Very good knowledge (C1):

		10 points Excellent knowledge (C2): 20 points
	Knowledge of French	Very good knowledge (C1): 5 points Excellent knowledge (C2): 10 points
	Sum	100 points

In the event of a tie between two candidates, the research or working experience in the textile sector will be the selective factor.

The selection procedure shall consist of an assessment of the applications performed by the Moroccan partners (ESITH, UH2C, AMITH) against the selection criteria listed in chapter 3 of this call, concluded by the establishment of a graded list of the eligible applicants and, if applicable, a list of non-eligible applicants.

7. Visibility

This call will be published to the website of UPC, CRETHIDEV and FOSTEX project and a link to this call will be shared at the websites of the Moroccan partners of the consortium (ESITH, UH2C, AMITH).
