

U-Multirank. Universitat Politècnica de Catalunya, 2021

Dimension		Indicator	Group
G Performance groups by indicator. Institutional level	Teaching & Learning	Bachelor graduation rate	D
		Masters graduation rate	C
		Graduating on time (bachelors)	D
		Graduating on time (masters)	C
		Relative BA graduate employment	-
		Relative MA graduate employment	-
		Relative graduate unemployment long first degree	-
		Graduating on time (long first degree)	-
		Graduating rate long first degree	-
		Gender balance	A
	Research	Citations rate	C
		Research publications (absolute numbers)	B
		Research publications (size normalised)	A
		External research income	B
		Art related output	-
		Top cited publications (% of total publications)	C
		Interdisciplinary publications (% of total publications)	A
		Post-docs positions	D
		A Strategic research partnerships	-
		Professional publications	-
	Knowledge Transfer	Open Access publications	C
		Co-publications with industrial partners (% of total publications)	A
		Income from private sources (per fte academic staff)	B
		Patents awarded (absolute numbers)	A
		Patents awarded (size normalised)	A
		Industry co-patents (% of total patents)	B
		Spin-offs	C
		Publications cited in patents	A
		Income from continuous professional development (% of total income)	D
		Graduate companies	-
	International Orientation	Foreign language bachelors programs	D
		Foreign language long first degree programmes	-
		Foreign language master programs	C
		Student mobility	A
		International academic staff (% of total academic staff)	D
		International joint publications (% of total publications)	B
	Regional Engagement	International doctorate degrees (% of total doctorate degrees)	A
		Bachelor graduates working in the region	A
		Master graduates working in the region	A
		Student internships in the region	B
		Regional joint publications (% of total publications)	A
		Income from regional sources	B
		Regional Publications with Industrial Partners	A
