Introduction

The Academic Regulations for Bachelor’s and Master’s Degrees at the UPC (NAGRAMA) were approved in Governing Council Decision CG/2019/03/09, of 24 May 2019.

The decision to approve them foresaw their application in the 2019-2020 academic year, but given the development of the current academic year it is considered appropriate to extend them to the 2020-2021 academic year under the same terms under which they were drafted.

In view of the above, the Governing Council has taken the following

DECISION:

TO EXTEND the application of the Academic Regulations for Bachelor’s and Master’s Degrees at the UPC to the 2020-2021 academic year.
