(1) For travel originating at any location worldwide and with destination Spain, the guarantees will apply in Spain and the Schengen Territory, in accordance with the terms set out in the General Conditions.

(2) If Spain is the origin and destination, the only guarantees applicable will be numbers 32, 33, 34, 35 and 37.

(3) Taking into account that the policy limit of € 700,000 will always prevail, applying the relevant exchange rate at all times.

ONCAMPUS ESTUDIA COVERAGE EXTENSION OPTIONS:

- **VACATION Pack**

Once you are in your country of destination, if you want to travel to any other country of the world, the VACATION PACK gives you the option to be covered by the same guarantees provided by OnCampus Estudia, so that you can travel with confidence. You can take it out now or at a later stage through your OnCampus customer account.

- **SPORTS Pack**

If during your stay abroad you will practice any risky sport, such as surfing, skiing,.... not included within those covered by your policy, you have the option of recruiting this pack to ensure you receive appropriate health care. You can take it out now or at a later stage through your OnCampus customer account.

- **MEDICAL EXPENSES Pack**

Are you travelling to a country where medical care is highly expensive, and you do not want to worry about receiving an insufficient health care? You have the option to recruit a wider health coverage so that your medical expenses are entirely covered. If you hire this pack, your medical expenses will be covered up to 5,000,000 euros.

The most important thing is to stay safe and secure.

This pack can only be recruited when you take out your OnCampus Estudia insurance. Once you complete your order, you will not be able to include this pack at a later stage..
