

- Established in 1952
- "National Project 211" university
- 27,882 students and 2952 staff members
- No.1 in Aeronautical Engineering
- A top university under the guidance of Ministry of Information Technology
- Ranked first in 2006 Year's Students Satisfactory Survey of Chinese Universities

Apply for Chinese Government Scholarship

in Nanjing University of Aeronautics and Astronautics

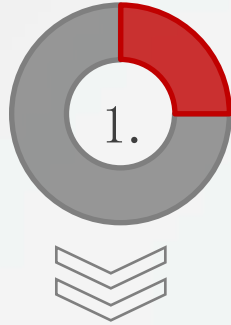

Master Program in Material Science and Technology

Program Introduction

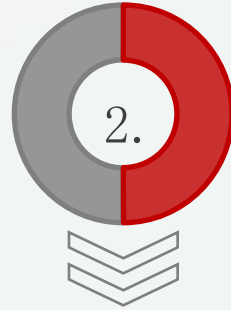

Nanjing University of Aeronautics and Astronautics (NUAA) is recruiting 10 International students who wish to enroll into Master program of Material Science and Technology at NUAA in academic years of 2012--2014. The successful applicants will be offered the Chinese Government Full Scholarship covering the duration of the Master program.

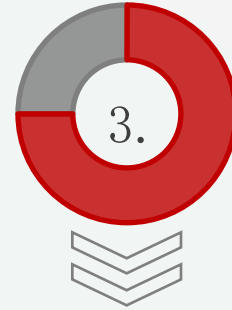

Coverage of the Scholarship

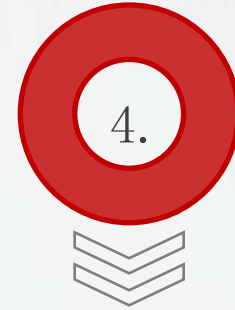

Qualified students are exempt from registration fee, tuition fee, basic learning materials and accommodation on campus.

Monthly living allowance is paid to the students from the date of registration at the following rates
1700RMB.

A one-off settlement subsidy of 1500RMB after registration .

International Students Medical Insurance.

Note: International airfares and domestic travel expenses are borne by students themselves.

Eligibility

Eligibility

1

Applicants must hold valid passports and will abide by all the laws of China as well as the rules and regulations of NUAA.

2

Applicants for studies must have finished bachelor's courses or with the same educational level and be under the age of 35.

3

Applicants should be proficient in English, as the courses and thesis will be done in English. (IELTS \geq 6.0 or TOEFL \geq 80).

Application Deadline

All Applications should be submitted
before April, 20th, 2012.

Application

Materials

1) Application Form for Chinese Government Scholarship (download from CSC website <http://www.csc.edu.cn/>), completed in English.

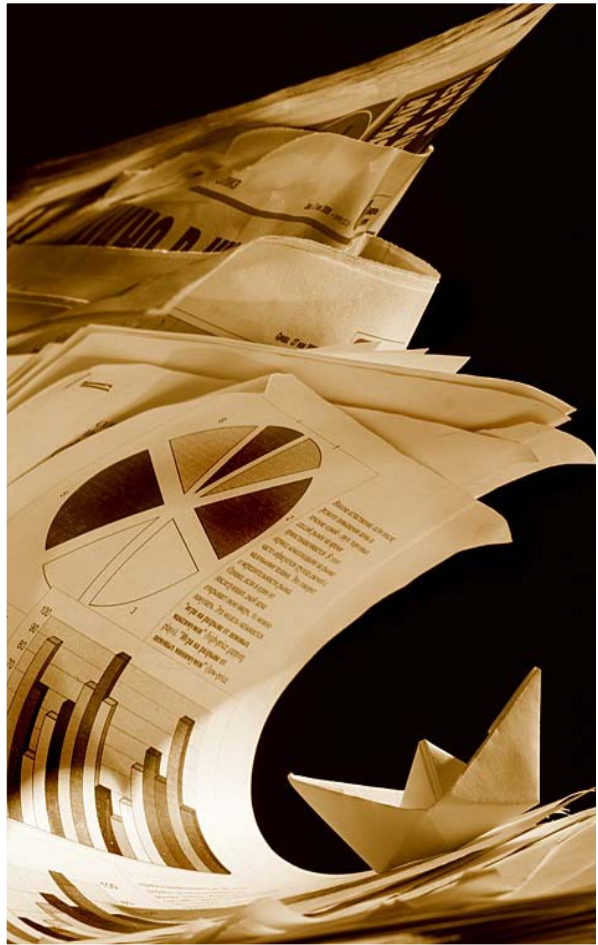

2) Highest diploma (notarized photocopy) and transcripts of studies (notarized photocopy). Documents in languages other than Chinese or English must be attached with notarized translations in Chinese or English.

3) A study or research plan (at least 800 words) in Chinese or in English.

4) Two letters of recommendation in Chinese or English by professors or associate professors.

5) Photocopy of Foreigner Physical Examination Form (download from CSC website).

Notice: Application materials will not be returned regardless of the result of application.

Course Program

Material Science and Technology

Requirements of Credits

Course Type	Compulsory Course	Optional Course	Topic	Total
Required Credits	14	≥ 10	≥ 4	≥ 28

Course Program

Material Science and Technology

Courses

course type	Course Code	Course Title	Credits	Semester
Compulsory Courses	A120005A	Chinese Language	4	2012 Autumn
	A120006A	Chinese Culture	3	2013 Spring
	AE080001A	Matrix Theory	4	2012 Autumn
	A010001A	Overview of Aeronautics and Astronautics	2	2012 Autumn
	A010102A	Thesis Proposal	1	2013.7-9

Course Program

Material Science and Technology

	Course Title	Credits	Semester
Optional Courses	Thermodynamics of Materials	2	2012 Autumn
	The Physics and Chemistry of Materials	2	2012 Autumn
	Modern Physical and Chemical Analysis Technology	2	2012 Autumn

Course Program

Material Science and Technology

	Course Title	Credits	Semester
Optional Courses	Polymer Science and Technology	2	2013 Spring
	Functional Materials	2	2013 Spring
	Laser Processing of Materials	2	2013 Spring
	Hydrothermal synthesis of materials	2	2013 Spring
	Surface Engineering of Metals	2	2013 Spring
