Oficina de Mobilitat Internacional d'Estudiants

Information about the result of your NIE renewal: Receipt (Resguardo) + next instructions (When will I be able to go to the police office?)

What do we deliver you now?

- The receipt that confirms that you have started the procedure ("resguardo"). It is the application form, duly stamped by the legal authorities.
 While you do not have the new TIE plastic card, keep in your wallet this receipt (or a good photocopy of it), together with the old TIE card (the one that is about to expire).
- The instructions for the next steps to continue the procedure of your NIE renewal, here below.

Instructions to continue with the procedure

Once you have given all the documents to the *Oficina de Mobilitat Internacional*, and you have solved the requirements (in case you have them), please follow these steps:

- 1- Check the state of your NIE renewal, on the Internet.
- 2- Apply for an appolitment to go to the Police station.
- **3-** Go to the Police station.

Here below we indicate the details in each step. Please, **read carefully** the information. Should you have any doubt, ask to our staff at the OMI front desk.

1- Check the state of your NIE renewal, on the Internet.

To do so, you must follow these steps:

- Find the web page; <u>https://sede.administracionespublicas.gob.es/pagina/index/directorio/infoext2/</u>
- Go to "Procedimientos: Extranjería"
- Clic on option "Acceda" from "información sobre el estado de los expedientes de extranjería"
- Now you have to choose the option: "Consultar con formulario"
- You must fill in the required data:
 - NIE number (from your old NIE card)
 - Date when your procedures were started (see form EX00, returned at OMI office with the stamp of the date)
 - Date of birth

Oficina de Mobilitat Internacional d'Estudiants

If you check it now, the situation of your NIE renewal will be:

• <u>"En Trámite" (Pending; still in process):</u> It means that there is an internal procedure from the Spanish authorities that is still pending. It may take some days or even weeks until it is done. You should check it againt in a few days.

In the next days, it will change to one of these states:

- <u>"Resuelto Desfavorable" (Denied)</u>: You will receive (at the address previously indicated in the EX11 form as "domicilio a efectos de notificaciones") the official communication of refusal of your NIE application for renewal.
- <u>"Resuelto Favorable" (Approved)</u>: When you find this state and your NIE card is already expired, you can go to the police station to finish the procedures of the renewal. How to do it? Follow the instructions here below.

Note: You have started your application for the NIE renewal through this OMI office (Oficina de Mobilitat Internacional). Consequently, while it is "En trámite" (pending), please ignore the information in the footnote of your screen that says: "La comunicación de la resolución se remite por correo a la dirección postal que, a efectos de comunicaciones, consta en el expediente".

2- Apply for an appointment to go to the Police station.

Now it is mandatory to obtain an appointment for one of the Police stations that do this procedure in the province of Barcelona. However you are not obliged to do the procedure in the Police station of the locality where you are living in. You can go to any Police station that appears in the list for appointments. You just have to take into account that the date of the appointment is suitable for you and that the Police station you choose is more or less far of where you live.

In case you decided to take an appointment for the Police station in the city of Barcelona, please take into account that you can only do this procedure in the Police station located in Rambla Guipúscoa, 74 (see map at the end of this document).
